PRISME™

Optimal management
of chronic diseases

*Towards
Optimal Management:
COPD & Asthma*

September 27 & 28, 2007

Program Details

September 27 & 28, 2007

Vancouver Renaissance Hotel

1133 West Hastings Street
Vancouver, British Columbia
(604) 689-9211

Primary Goal

This conference is intended to provide the health care professional the latest in trends and issues in the management of Asthma & COPD, allowing for transference in the clinical setting.

Learning Objectives

- Increase the understanding of the roles and benefits allied health professionals provide within chronic respiratory disease management;
- Provide relevant and practical information in the management of chronic respiratory disease;
- Highlight the most recent research on asthma and COPD management, discussing the implications within patient care;
- Discuss patient self-management strategies in chronic respiratory disease management and its application to patient care;
- Provide a positive learning opportunity for health care professionals involved in chronic respiratory disease management.

PRIISME Conference Faculty

- Sue Grant, RN, DipIT
- W. Darlene Reid, BMR (PT), PhD
- Joan L. Rush, BComm., LLB, LLM
- Don Sin, MD, FRCPC
- Joyce Yu, MD, CM

Primary Care Updates Faculty

- **Smoking Cessation**
- Sponsored by Pfizer
- **COPD - Matter of Life & Breath**
- Sponsored by GlaxoSmithKline

Who Should Attend?

All members of the Health Care Team that interact with the Asthmatic/COPD patient, including Family Physicians, Respiratory Therapists, Nurses, Pharmacists & Physiotherapists.

Unique Learning Opportunity

This year, PRIISME Vancouver is joining the Primary Care Updates annual conference on September 28th bringing allied health professionals and family physicians together for select sessions.
